

**Notice of Funding Availability
City of Lauderhill
Community Development Block Grant
Disaster Recovery Initiative – DRI**

The City of Lauderhill is pleased to announce the availability of funding for its Community Development Block Grant-CDBG, Disaster Recovery Initiative – DRI program for **home-owners on the existing home repair waiting list**.

This program is designed in response to the legislative provision requiring CDBG local governments to expend funds to ensure that residents of the state derive the maximum possible economic benefit from the federal funds. The DRI program will provide assistance to Single Family Residence homeowners, under the program guidelines, who reside in owner-occupied, primary residences.

DRI ASSISTANCE ESTIMATED AVAILABILITY: \$1,142,036.38 provides assistance for Single Family Rehabilitation/Repair, Hardening/Weatherization.

MAXIMUM AWARD PER APPLICANT: Maximum award is up to **\$20,000.00**.

Obtaining a home inspection report before receiving a DRI grant will be mandatory. Persons on the existing home repair waiting list that are interested in determining their eligibility may call or visit the Business and Neighborhood Enrichment Department of the City of Lauderhill, 5581 West Oakland Park Boulevard, Suite 230, Lauderhill, Florida 33313, 954-730-3036. **This funding is available until it is expended.** Applicants will be considered on a first-come, first-qualified basis.
