NEWS RELEASE - COVID-19 (Coronavirus) #6 **City of Lauderhill is Tracking State Mandates & is Making Adjustments.**

Lauderhill, FL - March 20, 2020 – 6:00 PM – The City of Lauderhill Officials, Administrative Staff, and Emergency Operations Officials continue to monitor the ever-changing policies and orders surrounding the COVID-19 pandemic.

As of yesterday, City operations have scaled back to Public Safety and essential staff only. A limited agenda Commission Meeting is scheduled for Monday, March 23, 2020 at 10:00 AM in the Commission Chambers. The only item on the agenda is to discuss the effects of the COVID-19 virus on City operations and the lives of our residents and business owners. The meeting will be televised on Comcast channel 78. The reopening of any City Offices will be considered on a week-to-week basis.

As per the Governor's Executive Order #20-70 and #20-71 ([download here](#)), ALL restaurant and food establishments are to suspend on premises alcohol and food consumption. However, they can provide delivery and take out services for food and alcohol. Gymnasiums and fitness centers must remain closed. In addition, any indoor or outdoor venue that has the potential to allow gatherings of 10 or more should be closed. Therefore, City Parks will close tonight and not reopen until further notice.
